

## CASQA 2025 Conference Exhibitor Guide and Contract for Space

Thank you for exhibiting at the CASQA 2025 Conference to be held September 15-17, 2025, in Pasadena, California. The conference offers three days of in-depth learning opportunities and discussions on a wide range of stormwater and water management topics, with a focus around the conference theme, *Resilient Watersheds, Innovative Solutions*.

The CASQA conference provides exhibitors with a unique opportunity to highlight the types of goods and services sought by over 1100 stormwater professionals throughout California, who understand the critical issues and needs of stormwater programs, including local, state, and federal decision makers, stormwater program coordinators, contractors, consultants, engineers, lawyers, scientists, and planners. Their diverse set of needs includes consulting and professional services, public education and outreach, legal services, stormwater capture, and pollution prevention and treatment best management practices. In addition, networking opportunities are provided throughout the conference to further identify needs and explore innovative ideas, including the Exhibitor Reception on Tuesday evening.

### Contract for Exhibit Space

Acceptance of the terms of this contract is required at the time of purchase/registration of an Exhibit Space and to participate as an Exhibitor at the CASQA 2025 Conference.

This contract is a binding agreement between the California Stormwater Quality Association (CASQA) and the Exhibiting Organization (Exhibitor). Execution will be upon checking the required boxes on the online registration form at the time of the Exhibitor's online purchase/registration of an Exhibit Space:

We understand that all applications and registration form(s) become a part of this contract and are binding on both parties on the purchase/registration date of the Exhibit Space when accepted by CASQA. For in-person conferences, all exhibit spaces are assigned based on prioritization criteria for the previous years' exhibitors who expressed interest or on a first come, first served basis, and at CASQA's discretion for all other exhibitors. All correspondence from CASQA will be sent to the person listed as "Contact" at the time of purchase/registration unless otherwise notified by the Exhibitor. This document contains the entire agreement between the parties and supersedes any prior agreements. The terms of this document may not be changed except as agreed to in writing by both parties.

**NOTE: For returning Exhibitors a point system is used to prioritize exhibit space selections. Three (3) points will be deducted for an Exhibitor's breach of CASQA contract provisions, which will be applied to exhibit space selections for the next CASQA conference.**

1. **AGREEMENT:** By signing the Contract for Space, the Exhibitor agrees to abide by these Rules and Regulations and all amendments thereto and the decisions of CASQA. The term "exhibit hall" shall mean the hotel facility, or any other exhibit hall designated by CASQA in the future. The term "Exhibitor" shall mean any company, firm or person who has applied for or been allocated space in the Exhibit Hall.
2. **UNDESIRABLE ACTIVITIES:** The Exhibitor agrees that his/her exhibit shall be admitted into the show and shall remain from day to day solely on strict compliance with all the rules herein described. CASQA reserves the right to reject, eject, or prohibit any exhibit components in whole or in part, or any Exhibitor with or without giving cause. If an exhibit or Exhibitor is ejected for violation of these rules or for any other stated reason (with cause), no return of rental shall be made.
3. **POLICY STATEMENT**
  - a. Conference Subcommittee: Responsibility for the Conference, its Policy, and enforcement of the Policy shall rest with the CASQA Conference Subcommittee, which is established by CASQA.
  - b. Exhibitors:
    - i. Organizations wishing to exhibit may purchase an exhibit space if space is available.
    - ii. Exhibitor agrees to exhibit for the hours specified and abide by the conditions established by CASQA and the venue for the exhibits.
    - iii. Exhibitor assumes responsibility and agrees to indemnify and defend CASQA and its agents against any claims or expenses arising out of its use of the exhibition premises.

      - v. There will be no dismantling of exhibit spaces prior to the published tear-down time.
    - c. Policy Enforcement: It is understood that exhibiting organizations will comply with the exhibit rules, policies, and regulations. Should an organization not comply, the Conference Subcommittee has the right to refuse the organization's application to exhibit at any future CASQA Conferences.
  4. EXHIBIT SPACE ASSIGNMENTS: CASQA's assignment of exhibit spaces is final and shall constitute an acceptance of the Exhibitor's offer to occupy space. Exhibit space will be secured only after the required acceptance of the Exhibitor Contract for Space at the time of purchase/registration of an Exhibit Space and the appropriate exhibit space fees have been paid. After assignment, space location may not be changed, transferred, or canceled except upon written request and with the subsequent written approval of CASQA. Notwithstanding the above, CASQA reserves the right to change location assignments at any time, as it may, in its sole discretion, deem necessary.
  5. INSTALLATION AND REMOVAL: See additional details above under 'Exhibitor Kit, Lodging, Move-In/Tear-Down, Exhibit Hall Hours'.
    - a. CASQA reserves the right to fix the time for the installation and removal of exhibits.
    - b. **Early Removal of Exhibits is Not Allowed:** No Exhibitor shall begin packing, removing, or dismantling early without written permission from CASQA. If the Exhibitor acts in breach of this provision CASQA may require payment, as compensation for the distraction to the Exhibition's appearance, an amount equal to one-third of the total space charge for the Exhibitor's allocated area, in addition to all sums otherwise due under this agreement. In addition, CASQA will deduct three (3) points, which will be applied to exhibit space selections for the next conference. Breach of this provision could result in the loss of the Exhibitor's right to exhibit in future shows produced by CASQA. For security reasons, any equipment removed from the exhibit facility prior to the official closing of the show shall require a special pass issued by CASQA.
  6. EXHIBITOR APPOINTED CONTRACTORS (EAC): Any Exhibitor using an EAC agrees to notify CASQA of such appointment and agrees to indemnify and hold harmless CASQA, the exhibit facilities, and their respective officers, directors, staffs, employees and agents and all official contractors from any and all liability or losses for any act, complaint, damage, or loss to any other Exhibitor, the exhibit hall, the property of any contractor and any consequential damages arising out of any such act or loss from the time the independent EAC first arrives at the hall until the final move-out is complete. The Exhibitor further agrees that CASQA may prohibit the EAC from working in the hall if they do not fully comply with all rules and regulations set forth for them at this event. Any Exhibitor using an EAC agrees to advise its EAC of all rules and regulations.
  7. PROHIBITED ACTIVITIES
    - a. All individuals in the Exhibit Hall, including exhibit spaces, must be paid conference participants, either with an Attendee Conference Pass or an Additional Exhibitor Pass, and must have their badge for entry. **Exhibitors may not invite people who are not paid attendees to visit the Exhibit Hall or meet with them in their booth.**

    - d. Exhibitor agrees that noise levels within the Exhibit Hall will be required to be reduced when the conference sessions are in progress. Exhibits which include the operation of musical instruments, radios, sound motion picture equipment, public address systems, or any noise-making machines must be operated so that the resulting noise will not annoy or disturb adjacent Exhibitors or their patrons.

- e. Exhibitors are prohibited from displaying any devices or objects in the exhibit space that exceed the inside dimensions of the space (width, depth, height) or without prior written approval from CASQA.
  - f. Electrical equipment that is not UL approved may not be used in the Exhibit Hall. No wiring or other electrical work shall be done except by the electrical contractor authorized by CASQA or the hotel. Each exhibit space will be provided with one 110v electrical outlet.
  - g. No cooking may take place in exhibit spaces and no food and/or beverage products may be distributed by Exhibitor. No beer, wine, or intoxicating liquor may be distributed by any Exhibitor.

13. **CANCELLATION BY EXHIBITOR:** The Exhibitor specifically recognizes and acknowledges that CASQA will sustain certain losses if the Exhibitor cancels its exhibit space after it has been purchased. Due to the difficulty, if not impossibility, of determining and proving said losses, the Exhibitor agrees to the following cancellation policy: \*Cancellations of an exhibit space will be converted to a sponsorship of CASQA's choice at the CASQA Annual Conference. Due to planning and printing deadlines, exhibitors converted to sponsors may receive limited recognition, however efforts will be made to accommodate any changes.
14. **CANCELLATION OR POSTPONEMENT OF SHOW:** In the event that any unforeseen occurrence shall render the fulfillment of this agreement impossible by CASQA, the parties shall mutually amend or terminate the agreement at CASQA's option. The Exhibitor hereby waives any claim against CASQA for damages or compensation. CASQA may return a portion of the amount paid for space after deduction of any amounts necessary to cover expenses incurred in connection with the show.
